Chantelle Courcelles Spacer Bra

The newest addition to the Chantelle assortment at Lace Silhouettes is the Courcelles spacer bra. Never heard of a "spacer bra" before? Spacer fabric is designed to allow air flow through the cup lining of the bra, keeping you cool and comfortable even in the warmest temperatures while still giving you uplift and a round shape. The spacer fabric also keeps the cups crush-resistant, making this bra your perfect travel companion. The U-back design helps keep this bra in place all day long, with an added J-hook on the straps so you can easily convert it to racerback! This bra is available in B-G cups and 32-38 bands.

C Magnifique Minimizer Bra

Try Chantelle's #1 Bra! The C Magnifique Underwire Bra is the definition of supportive and a leader in comfort. Plus, this bra is offered in 32-44 band sizes and C-I cup sizes and has proven to be a winner among women of all different shapes. Pair the C Magnifique bra with your go-to work blouse to flaunt the lift and support that this bra provides. Its seamless look and minimizing effect will close the gap between your buttons!

Vous Et Moi Strapless Bra

Simplify your wardrobe complications with Chantelle's Vous et Moi Strapless Bra. With lightly lined contour cups, this bra prevents show-through and is seamless under even the thinnest fabrics. Plus, the convertible straps work with any racerback and strapless tops that you may have been avoiding because you didn't have the correct foundation. The Vous et Moi Strapless is available in 30-38 bands and A-G cups, so most

Chantelle

*In 1988, Karen Thompson founded Lace Silhouettes Lingerie in Peddler's Village in beautiful Bucks County, Pennsylvania. Her passion was to develop an intimate apparel brand that delivers more than the average shopping experience. Thompson's vision grew into the idea that customers are treated as friends, like "a guest in our home." Thompson and her friendly staff welcome new and returning guests into the shop every day, servicing them with everything from bras and panties to lingerie and sleepwear as well as lounge and everyday wear. Over the past 29 years, the beloved boutique has since grown to two more locations between Pennsylvania and New Jersey, continuing to stay true to the concept to inspire and empower women to look and feel great every day. Thompson also gives back to the community and has helped support over 25 local charities annually. Thompson's commitment to helping her community led her company to be named "Best in Community Support in the USA" by Intima Magazine.*
