In 1988, Karen Thompson founded Lace Silhouettes Lingerie in Peddler's Village in beautiful Bucks County, Pennsylvania. Her passion was to develop an intimate apparel brand that delivers more than the average shopping experience. Thompson's vision grew into the idea that customers are treated as friends, like "a guest in our home." Thompson and her friendly staff welcome new and returning guests into the shop every day, servicing them with everything from bras and panties to lingerie and sleepwear as well as lounge and everyday wear. Over the past 29 years, the beloved boutique has since grown to two more locations between Pennsylvania and New Jersey, continuing to stay true to the concept to inspire and empower women to look and feel great every day. Thompson also gives back to the community and has helped support over 25 local charities annually. Thompson's commitment to helping her community led her company to be named "Best in Community Support in the USA" by Intima Magazine.
