

## Fall in Love With a Clean and Inviting Home

*You've Got MAIDS of Quakertown & Lehigh Valley is ready to make your home fall and family friendly!*

and Owner, Elsa O'Brien

Fall is officially here, and it's time to break out the hoodies, rake some leaves, and revel in all things pumpkin spice!

It's also the beginning of a season filled with family, fun, and festivities, from the ghouls and goblins who will traipse up to your front door trick or treating to the family and friends who will gather around your table to share a Thanksgiving meal.

When your home is a hub of activity for guests—of the ghouls and goblins or the garden variety human type—you want it to be as welcoming as possible. And that means clean. Clean windows, clean floors, clean ceiling fans, clean counters, clean bathrooms, free of dust and dirt, where the only cobwebs are the ones you put up as Halloween decorations.

If it sounds like a lot of work—that's because it is! But You've Got MAIDS

of Quakertown and Lehigh Valley is ready to come to the rescue, tackling even your most daunting cleaning tasks with professional and efficient service that will leave your home warm and inviting—and leave you free to enjoy the fun of the season without the stress—or backache—of cleaning.

You've Got MAIDS of Quakertown and Lehigh Valley has been providing thorough and expert cleans for both residential homes and businesses for almost a decade. Our family-owned business is proud to bring you the highest-quality cleans customized to your particular needs.

Each one of our Maids is professionally trained and fully insured and bonded, so you can feel secure knowing that your home or office is being cared for by a team of credentialed experts. They'll arrive at your location in a company vehicle, with all of the tools and supplies

needed to make the spaces you live and work sparkle.

Quality is our top priority, and we work to incorporate it into every aspect of our service to you, from the training our Maids receive to the supplies and equipment they use. We are proud to use environmentally friendly cleaning supplies for a truly deep clean; industrial-strength HEPA vacuums engineered to remove nearly all the dirt, dust, contaminants,

and allergens; and microfiber cleaning cloths scientifically designed to pick up and eliminate almost all dirt, bacteria, and germs.

Our goal is to give you a clean that goes beyond the surface, so your home or office doesn't just sparkle but actually supports the health and well-being of every person who spends time there.

Deeply rooted in the life and vitality of our Quakertown and Lehigh

Valley community, You've Got MAIDS of Quakertown and Lehigh Valley is committed to serving the families and businesses of our area with personalized and exceptional service available in a variety of cleaning options to fit every need and budget.
