Publisher’s Note

Let It Snow!

As I write this note, it is beginning to snow. The forecast is for 8 to 10 inches ending possibly with a “wintery mix.” Well, whatever the case, there isn’t anything I can do to stop it. Nothing like a snowstorm to force us slow down and chill for a while. So, I am ready with my supply of food (including some chocolate), books, and hot cocoa to enjoy by the fire. I hope you are able to do the same.

As always, please let our contributing writers know when the information they have provided has benefited you or your family! Support our local businesses and medical professionals!

History of Blooming Glen, Historic Farming Village
Robert Moyer, 5th generation owner of Blooming Glen Pork, will share his experiences as a lifelong resident of Blooming Glen, growing up during the 1940s, 50s and 60s. His family has run Blooming Glen Pork since the 1850s. Learn how Blooming Glen had a general store, butcher, schools, churches, factories and doctor, so that residents “didn’t have to leave town.” It was a self-sufficient community, and the village provided services to local farming families. Blooming Glen Quarries and several factories provided jobs. Historical photographs and artifacts of Blooming Glen will be used to enhance the presentation. Historical Society of Hilltown Township. Held at Hilltow Twp. Bldg., 13 W. Creamery Rd. & Rt. 152. Silverdale, PA. Free; donations appreciated. Call 267-614-9174 for information.
