Ladies, maybe it's time to take control of your bra wardrobe, get help, and get fitted. Eighty percent of women are wearing the wrong bra size—a fact that most of us are already aware of. Yet we still walk into lingerie stores and neglect to ask about a fitting. Enough is enough! Lace Silhouettes Lingerie is here to help you.

Karen Thompson, founder of Lace Silhouettes Lingerie, believes that every woman should be able to “find the perfect bra.” She opened her first store in 1988 knowing that she wanted to create something unique: real lingerie for real women. Her purpose was to create a shopping experience that would focus on the customer—“our guest”—and her individual needs. Thompson’s philosophy is “One guest at a time.” Her goal is to treat everyone like a guest in her own home, and, as a result, now Lace Silhouettes Lingerie boutiques are the leading intimate apparel stores in the region.

Thompson believes that “in order to look great, you have to feel great”. She says that a fabulous bra can do just that. Not only will a properly fitting bra feel comfortable, but it will also instantly enhance your figure. When a bra fits correctly, it lifts and separates our girls and defines our waist. It is that simple!

Every woman should have six to eight essential bras: four everyday styles (three in nude and one in black),

a racerback, a strapless, and a sports bra. Karen Thompson’s wardrobe is filled with Chantelle bras. They offer the comfort, support, and style that you have always dreamed of in a bra!

PARISIAN ALLURE BRA

Meet Chantelle’s newest style: The Parisian Allure underwire bra. It’s the perfect balance between style, support, and comfort. Ultra-flat seams provide unparalleled support that mimics the look of a t-shirt bra without the bulk. Cups plunge low in the center, offering versatility for a variety of tops and dresses. The fully-adjustable straps have an added J-hook that will allow you to wear this bra as a racerback too! Available in 32-40 bands and C-I cups.

C MAGNIFIQUE MINIMIZER BRA

Chantelle’s C Magnifique style is proof that a minimizer bra can be fashionable,

feminine, and comfortable too! Minimizers are perfect for those blouses that tend to bow between buttons. Reduce those stubborn lines across the chest that appear on sweaters and tees with the seamless underwire minimizer bra! Available in 32-44 bands and C-I cups.

Do you lead an active lifestyle? Are you having trouble finding the right sports bra that actually *supports* you during your workouts? Look no further than Chantelle’s High-Impact Sport bra! Made of soft and breathable

SPORT BRA

microfiber, this full-coverage style will keep you supported

and comfortable, up to an H cup! Reduce the bounce and feel comfortable during your walk, run, yoga class, and beyond. This bra features a J-hook on the back to easily convert this style to a racerback bra.

Finding the right bras to fit your body type and lifestyle can make a world of a difference. Bras should be an everyday luxury, helping women look and feel their best all year long. Call Lace Silhouettes Lingerie to treat yourself to a *professional bra fitting* today!

Chantelle

In 1988, Karen Thompson founded Lace Silhouettes Lingerie in Peddler’s Village in beautiful Bucks County, Pennsylvania. Her passion was to develop an intimate apparel brand that delivers more than the average shopping experience. Thompson’s vision grew into the idea that customers are treated as friends, like “a guest in our home.” Thompson and her friendly staff welcome new and returning guests into the shop every day, servicing them with everything from bras and panties to lingerie and sleepwear as well as lounge and everyday wear. Over the past 30 years, the beloved boutique has since grown to two more locations between Pennsylvania and New Jersey, continuing to stay true to the concept to inspire and empower women to look and feel great every day. Thompson also gives back to the community and has helped support over 25 local charities annually. Thompson’s commitment to helping her community led her company to be named “Best in Community Support in the USA” by Intima Magazine.
