Let the Sun Shine In

Summer is the season for fun, and the Gathering Place is the ideal spot for all of your warm weather festivities!

There's something about summer that brings out the kid in us. Maybe it's the memory of family vacations at the shore, complete with plastic buckets and shovels for making sandcastles. Or the sound of the ice cream truck calling us to enjoy a cool treat on a warm June evening. Or seeing the first fireflies come out to spread their magic on a midsummer night.

Whatever it is, summer has a way of pulling us towards family, fun, and festivity. And, where there's a party, there needs to be a space for people to gather where they can feel comfortable, confident, and free to enjoy each other's company. If you live in Bucks or Lehigh County, that space is The Gathering Place.

Whether you're hosting a graduation party, a family reunion, a summer birthday party, or some other milestone, read on to see how The Gathering Place can make your next event a hit—and to learn some pro tips on planning the perfect party!

Graduation Parties

Between family members filled with pride and friends eager to celebrate together, your graduate is sure to be surrounded by well-wishers. Graduation parties often bring together too many people to fit comfortably in a home or even a restaurant, but not

to worry—The Gathering Place can accommodate up to 90 guests with ease. The event space is light, airy, and spacious, and an outdoor breezeway adds extra room for partiers to enjoy those warm summer breezes. Wondering where all your guests will find parking? The Gathering Place has you covered there as well, with free parking at the location, ideally situated in the heart of Quakertown.

Graduation Party

Pro Tip: Stuck on finding a theme for your graduation party? Don't forget to ask the graduate! Brainstorm with your soon-to-be-grad about the things he or she enjoys. You may be surprised at the creative suggestions that come up, from comic books and sports to a theme inspired by his or her chosen college.

Family Reunions

If the past couple of years have taught us anything, it's the importance of family. And now that we're able to enjoy each other's company again, The Gathering Place is the perfect spot to get together. Family owned and operated by local businesswoman Elsa O'Brien, The Gathering Place prioritizes your family's health and safety. With a background in residential and commercial cleaning, O'Brien knows how to put the highest standards of hygiene and cleanliness into action. So invite Great Aunt Sally and all your fifth, sixth, and

seventh cousins. At The Gathering Place, the only thing you have to think about is who will steal the show rocking out to "We Are Family!"

Family Reunion Pro

Tip: Add something extra special to your family reunion by giving your family members something to remember the event. Some families get T-shirts made or have a commemorative picture taken. If some of your best memories involve shared meals, you may even be inspired to put together a family cookbook!

Summer Birthdays

There's something special about a summer birthday.

The longer days, warmer nights, and hints of vacation make them all the more fun to plan and attend. And, when it comes to planning parties, The Gathering Place lets you plan as much—or as little—as you want. Your event is completely customizable, which means we can leave all the details to you, or we can take care of everything from decorating the venue to setting the tables.

Summer Birthday Pro

Tip: Keep it light and easy, like the season! Go for a theme that makes the most of the bright colors and breezy moments of the summer months. Style your

summer birthday like a luau, a beach party, or an ice-cream sundae party!

From graduation parties and family reunions to summer birthday parties and all of the joyful milestones and moments for family and loved ones to share, you can count on The Gathering Place to provide a safe, welcoming, and affordable venue—easy to get to, easy to plan, and easy for all to enjoy.
