Cancer Support Community Greater Philadelphia at Gilda’s Club has been providing its free, comprehensive program to Bucks County residents since 2002. Each month, individual counseling, support groups, mind-body programs, and educational programs are offered to anyone with a cancer diagnosis and his or her family members.

These programs are all led by licensed mental health professionals or experts in their field. People can attend those programs that most closely meet their needs as well as meet with staff to help identify resources they may need in their cancer journey.

To keep our programs free to all in need, we host a number of fund-raisers throughout the year. This fall, we will host 3 of our biggest fund-raisers.

**The 24<sup>th</sup> annual Paws 4 Life Dog Walk** will be held on Saturday, October 1st at Warminster Community Park with an after-party at Gilda’s Club, which is adjacent to the park. Registration is at 9 am with a 1-mile walk. The after-party features dog demos, raffles, a 50/50, and a silent auction. There will be games for kids, and the first 125 participants will receive an amazing “doggie bag” filled with goodies for you and your 4-legged friends. There will also be great music, food, and beverages for you to enjoy.

After you treat your dog to a great morning, join us for our annual **Pints in the Park** event held at Gilda’s Club from 1 to 5 pm. This event will feature tastings from local breweries, great music, and food trucks. In addition, there will be a corn hole tournament where you can challenge other teams and show off your skills.

For those who like to golf, we will host our annual **Swing for Cancer golf tournament** at North Hills Country Club on

Monday, October 17th. Registration starts at 10:30 am. This event includes greens fees; lunch; on- course snacks, beverages, and cocktails; dinner; and an awards ceremony. The course at North Hills consists of idyllic landscapes, natural fairways, and strategically placed bunkers that will provide a great day of golf for you.
