Moving ahead while staying safe

Recently, Bucks County has moved into the green phase. As businesses reopen, they continue to focus on keeping their employees and their customers safe. Please do your part by wearing a mask. Support local businesses in any way possible. They need your support now more than ever. Shop local whenever you can!

Many of our wonderful Bucks County museums have begun to reopen too. Take a look at page 26 to see what is happening at Mercer Museum and Pearl S. Buck International.

As always, please let our contributing writers know when the information they have provided has benefited you or your family!

This Is What Our Advertisers Say About The Bucks County Women's Journal!

**Dr. Patrick M. Murphy, Au.D,
M.Ed., CCC-A, FAAA,
Murphy Hearing Services**

"The Bucks County Women's Journal allows my practice to provide up-to-date information on a variety of audiology and hearing healthcare-related topics to women in the Bucks and Montgomery County area. I have been amazed by the number of new patients — women and men — who contacted my office after reading the BCWJ. My hat is off to you for an outstanding publication with a wide variety of local authors with a timely message for our readers. Truly outstanding!"

"I so value the opportunity to be a part of the Bucks County Women's Journal, such a professional publication, which is based on informing and educating the public regarding a wide range of topics."
