### *Finding the Beauty*

*Fall has always been one my favorite seasons. It's like nature's grand finale of the year. Colors burst from every hillside in a tapestry of beauty. The chill in the air invigorates me and I look forward to the warm comfort of hearth and home. Although many of the usual fall events have either been modified or cancelled, there are many opportunities to get out and enjoy this beautiful season. I hope you take the time to do so. Find the Beauty.*

*As always, please let our contributing writers know when the information they have provided has benefited you or your family!*

## This Is What Our Advertisers Say About *The Bucks County Women's Journal!*

*"The Bucks County Women's Journal allows my practice to provide up-to-date information on a variety of audiology and hearing healthcare-related topics to women in the Bucks and Montgomery County area. I have been amazed by the number of new patients — women and men — who contacted my office after reading the BCWJ. My hat is off to you for an outstanding publication with a wide variety of local authors with a timely message for our readers. Truly outstanding!"*
