Find the Beauty

Fall has always been my favorite time of year. It's like nature's grand finale before the darker days of winter. Colors burst from every hillside in a tapestry of beauty. The chill in the air invigorates me and lifts my spirit. I love the warm comfort of sitting in a cozy chair by the fire.

Many of the usual fall events have returned this year, so take advantage of the many opportunities to get out and enjoy this beautiful season. I hope you take some time to do so. Find the Beauty!

As always, please let our contributing writers know when the information they have provided has benefited you or your family!
