Boutique Manufacturer of Small Batch Bath and Body Provisions

Our manufacturing is done with top of the line ingredients from the best suppliers in the handmade soap and cosmetic industry. Our products are natural or "nearly natural". They surpass any product found in large chain stores or by large manufacturing companies. We also can produce party favors, logo soaps, small Inn, or Bed and Breakfast provisions looking to add something special to their guest experience.

Conjured products are also found in a variety of retailers. See website for more info.
