

## AS COLEMAN HOME REMODELING CONTINUES TO GROW, SKILLED CRAFTSPEOPLE ARE NEEDED

By Brian E. Coleman

Coleman Home Remodeling (CHR) has been in business since 1993. We started as Handyman Services and earned the respect of clients with our talents. Over the years, we established a customer base through hard work and dedication. Four years later, we changed our name to what it is now and continued to serve our customers with high-quality work, materials, and craftsmanship.

Today, we are still growing and are now interested in hiring good-quality craftspeople, carpenters, and others to help with our current backlog of projects. If you are interested in working with a respectful company, enjoy working with tools, understand the different remodeling processes and phases, and have a vast knowledge of the home renovation industry, please feel free to send your resume to [sales@colemanhomeremodeling.com](mailto:sales@colemanhomeremodeling.com).

We have a strong presence in the Bucks and Montgomery County areas, providing additions, garages, kitchen and bath remodels, and basement finishing. Visit our website at [www.ColemanHomeRemodeling.com](http://www.ColemanHomeRemodeling.com) or find us on Facebook at [Facebook.com/ColemanHomeRemodeling](https://www.facebook.com/ColemanHomeRemodeling). We look forward to bringing you on board.

Please enjoy these pictures as a small showcase of our completed

projects from our growing portfolio. Also, take a look at some of our past ads in the Bucks County Women's Journal for more information and articles to acquaint and familiarize yourself with Coleman Home Remodeling.

The Journal is also an informative paper on other subjects and services. Enjoy!
