You are more likely to succeed when you feel your best! At Kephart Integrative Medicine the emphasis on your health is integrated, proactive, and personalized. We offer an alternative approach to managing the aging process through Bioidentical Hormone Replacement Therapy (BHRT). BHRT treatments can alleviate many of the following symptoms including:

- hot flashes and night sweats
- unanticipated weight gain
- decreased energy
- low libido
- increased irritability
- depression
- diminished mental focus, “foggy brain”
