

Can I
stay with you
a while?

FOSTER VOLUNTEERS NEEDED

Kitten season is just around the corner. The Bucks County SPCA rescues hundreds of orphaned kittens each year with the help of a corps of trained foster volunteers.

You can help save lives!

Sign up today to attend a 2-hour online training session. Fostering commitments are typically a few weeks or more. All food, supplies, and medical care are provided. You supply the extra attention and a safe place for little ones to grow.
