

Tri-State Corvette Association (TSCA) Presents the 28th Annual Corvettes at Peddler's Village Car Show in New Hope on October 2nd

Established in 1985 for Corvette enthusiasts throughout the Delaware Valley, TSCA has been enjoying and sharing their love for America's true iconic sports car.

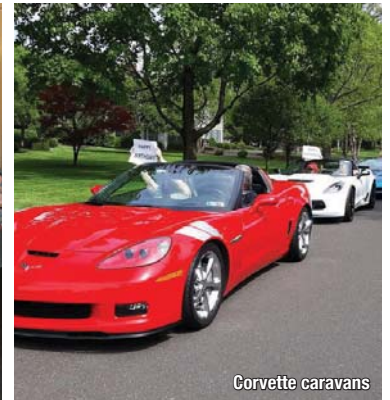

Today, TSCA has nearly 80 members who meet monthly at Giuseppe's (Street Road, Warminster), to plan events, trips, and community service and to just enjoy some camaraderie. TSCA is a very active group, traveling to Route 66, Martha's Vineyard, Corvette Museum, Rockport (Massachusetts), the Finger Lakes, and Niagara Falls. This fall, we're heading to Gatlinburg, Tennessee.

Community service is at the heart of what we do! Much of our car show proceeds benefit organizations such as Make-a-Wish Foundation, Big Brothers Big Sisters of Bucks County, SPCA, and the Philadelphia VA Hospital. Several years ago, we joined a Secret Santa project called Little Santa Big Shop (LSBS). LSBS has helped hundreds of at-risk children and families throughout the Bucks County area have a happier holiday by providing toys, clothing, toiletries, and gift cards.

During Covid (spring/summer of 2020 and 2021), TSCA organized Corvette caravans to celebrate over 100 birthdays, anniversaries, graduations, veterans, or anyone, regardless of age, who wanted a drive-by with a dozen or so Corvettes.

Corvette caravans

"During the lockdown, everyone was trying to stay active and sane, so I came up with the Corvette caravan idea, and it was wildly successful. Since large gatherings were discouraged, we brought the party to that special person, and, frankly, I think our members got more out of this deal than the person, family, neighborhood we were celebrating." – Chuck Greenberg (TSCA Board Member)

Please join us for our car show on October 2nd in Peddler's Village, and, if you would like to participate in our Little Santa Big Shop toy drive, feel free to bring an unwrapped toy and say hello! If you have a Corvette and want to participate in our show, registration starts at 7:30 am. If you want to see 150 to 225 Corvettes in one place, come on by between 9:30 am and 3:00 pm.
