TELETHON

FRIDAY **LIVE STREAM** NOV.13

Join us virtually for our 2020 fall fundraiser, "A Worthwhile Telethon" - a production set to stream live across the nation on YouTube and Facebook on Friday, November 13th, beginning at 7 p.m.

The telethon will be co-hosted by musician and singer Justin Guarini and TV designer Monica Mangin. The evening will include guest appearances, live musical performances, home-shopping style auctions, and stories from trafficking survivors. All funds raised will go towards housing and restorative services for survivors of human trafficking.
