Our Goal: HELP US RAISE \$250,000!

We are so grateful for all those that have joined us over the past 10 years in this effort, but our work isn't done. As we look ahead to the next 10 years, our goal to reach and serve more women around the country will be accomplished through the expansion and further development of these Worthwhile Wear programs:

- **Community Outreach** (*Worth It*)
- **Long-term Housing** (*The Well*)
- **Survivor Employment** (*Worthwhile Thrift*)

Funds raised at this gala will allow more women to experience hope and healing through these life changing programs for years to come.
